ABOUT THE OWNERS

James Richardson & Sons, Limited, Grain Merchants (Proprietors of Richardson Stock Farms), was founded in Kingston, Ontario, in 1857 and is the oldest organization of its kind in this country. It began business ten years before the birth of Canada and half a century before the first real rush of settlement on the Canadian prairies.

This is a family business, owned and personally directed by Richardsons through four generations.

Associated or subsidiary companies are: Pioneer Grain Company, Limited, with 275 country elevators; Eastern Terminal Elevator, Company, Limited, with the largest privately owned terminal in Canada; James Richardson & Sons, Investment Dealers; Commercial Insurance Agency; Richardson Stock Farms, of which Kelburn Farm is a unit.

Head offices of the Company are in Winnipeg, with branches in the major Canadian cities from Montreal to Victoria closely connected by a private wire system.

ABOUT KELBURN

Kelburn is the newest farm development in the current history of James Richardson & Sons, Limited.

The background of the firm's active participation in western farming extends to the purchase of land in Saskatchewan in 1911 and to subsequent importations of pedigreed cattle, horses, sheep and pigs.

The purchase of Kelburn's 700 acres was the result of a decision to concentrate close to Winnipeg. Elsewhere in Manitoba the firm's farm department operates a 10,000-acre ranch on which is a herd of a thousand head of grade beef cattle. Other cultivated farms raise wheat, oats, barley and flax on a total 5,500 acres.

GEO. H. JONES
Manager Richardson Stock Farm

A CORDIAL INVITATION TO JOIN US AT KELBURN SEPTEMBER 11

On behalf of Richardson Stock Farms, I wish to extend to you a cordial invitation to be with us on Saturday, September 11th. We hope that you will be able to come the day before and see our breeding herd.

The uniformity of quality of these cattle is exemplified by the fact that on the Western Fair Circuit just completed "Kelburn Yesteryear" was Grand Champion at Brandon, Calgary and Edmonton; while "Kelburn Banker" won that honor at Saskatoon; and "Kelburn Winmore" was Junior and Grand Champion at Regina.

This is the first offering of sons and daughters of "Mount Banker." All his 1947 sons are in the sale, as well as the 1946 sons with the exception of "Kelburn Banker Royal," Chicago International Champion, "Kelburn Climax" sold to P. F. Law, Weston, Ontario, Junior Champion and Reserve Grand Champion at Canadian National Exhibition, and "Kelburn Command" now junior herd sire at Beath Farms.

The staff at Kelburn Farm wishes to express appreciation of the many courtesies extended to them by those connected with the honorable task of ever moving forward in the improvement of this great breed of cattle. We trust that the animals offered in this sale will qualify us as a partner in this job.

GEO. H. JONES, *Manager.*

GOOD HEADS GOOD CATTLE

There are a great many things about this offering of cattle that I feel will appeal to Short-horn men everywhere. I had the pleasure of making my first trip to Kelburn Farm this past June. I have long been an admirer of the manner in which Geo. H. Jones has gone about building the herd for James Richardson & Sons, Limited, and I was anxious to see Mount Banker and his calves in particular.

When I first saw Mount Banker he was being led toward me from his stall and I don't believe I've ever seen a more impressive head on a herd bull. I was also impressed by his modern type and the heavy, thick, natural muscling found over his crops, back, loin and clear on down over his ribs. Later when I saw his calves . . . the eighteen sons that sell in this sale . . . I found that he was passing these highly desirable characteristics on to his get very consistently. It was then that I recalled this statement made to me once by a cattleman for whom I have a very high regard and it was this: "You'll always find a direct correlation between good heads and good cattle." I am sure he was right.

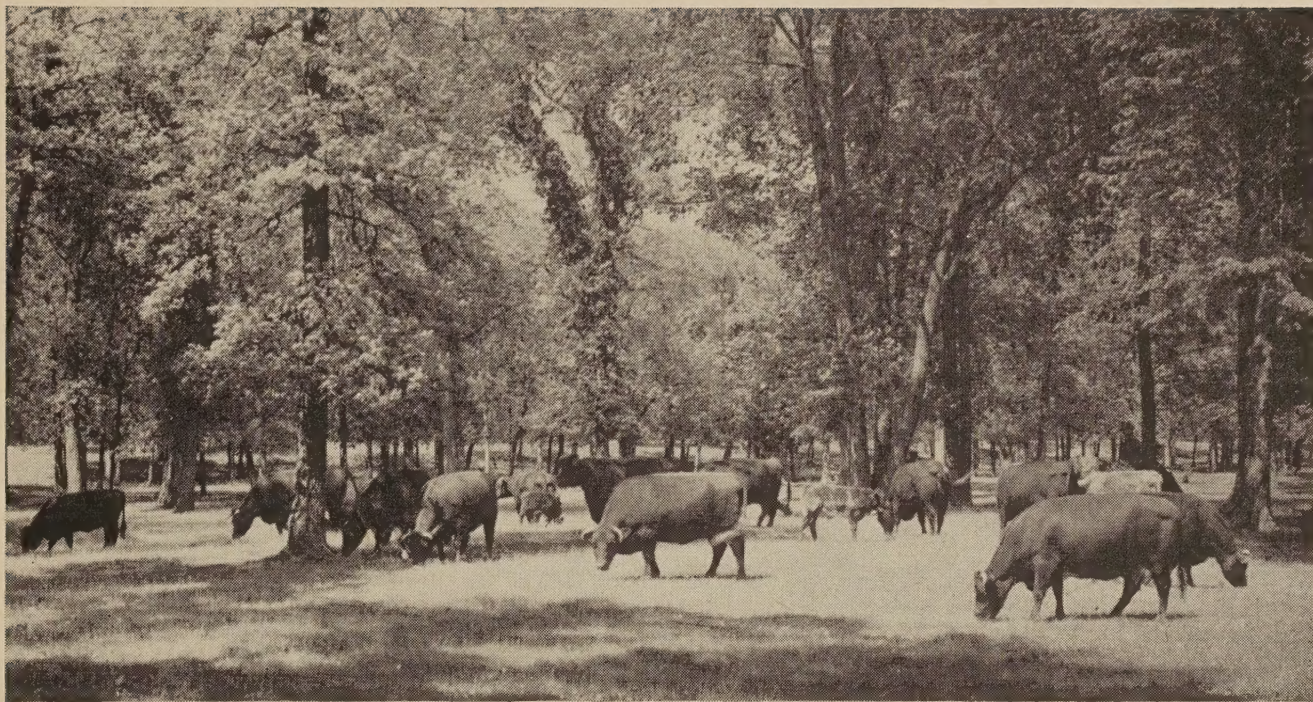

The females in this sale haven't been highly fitted, just conditioned enough to make them do well for you. A great many of them will be mated to the 1948 Perth champion, Crieffvechter Empire, and here is one of the thick fleshed, deep, thick bodied bulls of the breed.

It is a pleasure to participate in promoting this sale because most surely every lot sold will become a valuable asset to the buyer and will assist in making his herd better.

MERVIN F. AEGERTER

Of The Shorthorn World,

Sale Manager.

The Kelburn cow herd is a source of pride to its owners

Kelburn Nugget—Here is a combination of a great calf with a great pedigree. He is included in our 1948 show herd as a summer yearling. He is a full brother to Kelburn Crocus who was grand champion on the "A" Circuit 1947, reserve junior champion at Toronto Royal the same year. She has been undefeated senior yearling and grand champion female wherever shown in 1948, except Calgary and Edmonton. Nugget has stood second in class to our champion, Kelburn Yesteryear, at all the shows except Saskatoon where he was junior champ and reserve grand. His dam, Icen Crocus 10th, is by Lawton General Smuts, a noted son of the great Collynie State Express by Aldie Conqueror. It is our honest opinion that he is one of the great calves of the breed.
